

BONE MARROW DONOR NEEDED FOR KERRY JEAN FRIEND

Kerry Jean is presently serving as a youth director at a church in North Carolina and has been diagnosed with aplastic anemia. Her sister, Nicole Friend, is the school librarian, at Wilmington Middle School.

***BONE MARROW DRIVE
SUNDAY, JULY 19
12:00 Noon - 5:00 pm
Leesburg Fire Station
Community Room***

(A simple cheek swab is taken to see if you are a tissue match - must be 18 - 60 - others can eat and give! There is a \$25 donor cost which is tax-deductible. The Bone Marrow Registry pays \$26 of the \$51 lab fee. Don't let money stop you from giving tissue - we are raising money to help cover costs!)

There will be a delicious meal of pulled pork, cheesy potatoes, green beans, coleslaw, homemade pies and homemade ice cream.
